REVISIONS TO [redacted]

25X1

[redacted] Policy:

Add to (3)(a): Add the following words after the end of the first sentence: "... except as modified elsewhere in this regulation."

Add (3)(i): All construction, purchase or lease actions shall include (if possible) a requirement that adequate parking be included in the transaction as an element of cost or as a separate option. Adequate parking is defined as that which is needed to maximize the efficiency of the Agency work force assigned to a facility and such other additional parking spaces as may be necessary for official use.

Add to (5)(a)(1): Add the following words after the words "purchase price": "including the cost of acquiring adequate employee parking facilities."

Unclassified when removed from att.
